A large, stylized orange shape resembling a map of the United States or a similar landmass, with several small colored dots (yellow, red, green, purple, blue) scattered around it.

Welcome to the Center for Advanced Pediatrics

We have created your very own passport to use when you come to visit us. At the end of each visit your passport will be stamped with the country of the week. We hope you will have learned something about each of these countries during your visit with us.

We hope that you enjoy all your visits with us. We have activities for every age and things to keep even the busiest children happy. Don't forget to bring your passport with you for each visit so you can collect many different country stamps. Enjoy your visit and keep healthy!
